

A BRIGHTER
FUTURE BEGINS
TODAY

Running more than
59 Schools for
the last 25 Years
and imparting
knowledge to
more than 75000
students

Our patron, St. Xavier ranks among the greatest missionaries in Christian history. A great deal can be learned from St. Xavier in the way he conducted his life and worked with meaning and purpose.

Our school emblem symbolises that education should be given universal coverage and reach one and all irrespective of caste, creed, colour, language, and place of birth. It further symbolises provision of adequate opportunity to the learners to climb the ladder of success and reach the ultimate goal of life.

Vision

Our vision is to provide quality education to our students in an excellent and holistic learning environment so that they attain their highest potential and grow into better human beings.

Mission

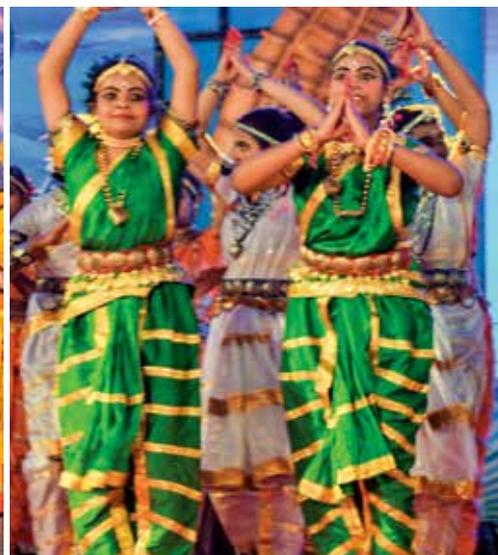

At St. Xavier's, we strive to put emphasis on how to become better human beings rather than just imparting academic knowledge. Our mission is to develop optimistic and confident individuals with supple, innovative and creative minds, strengthened with intellect, wisdom and compassion for others, and having the courage to stand firm and act on their beliefs. We are committed to ensuring spiritual, moral, intellectual, social, emotional and physical well-being of each child and encourage them to grow as responsible citizens of our nation.

We strive to:

- Impart quality education to the students and ignite in them the spirit to excel in all fields.
- Create holistic, lifelong learners who are open minded and willing to embrace innovative ideas ready to face the challenges of the future.
- Uphold and internalize values and ethics and create a space wherein modernity blends with tradition.
- Recognize and respect inclusion and diversity.
- Foster a strong connect with parents as a community and encourage their participation.
- Nurture a feeling of love for nature and maintain hygienic and healthy campus environment.

Values

- Integrity and Honesty
- Commitment and Dedication
- Respect for Individuals
- Passion for Innovation and Performance
- Social, Ecological and Ethical Sensitivity

Principal's Message

Mrs Kirti Tandon
*Former Faculty and
Sr. Coordinator with Step
by Step school*

"The greatest gifts you can give your children are the roots of responsibility and the wings of independence."- Denis Waitley.

As the school opens its doors to embrace the children, we at St. Xavier's School look forward to welcome each one of them. Our foremost aim is to teach the children how to think and not what to think. These young ones will be initiated into a world of self-discovery and experiential learning and nurtured with tender, loving, care to help them grow firm and deep roots of traditions and values and reach out for the skies with their towering branches. At St. Xavier's, the students will be exposed to both scholastic and co-scholastic domains. Their holistic development will also be ensured by enhancing their cognitive, affective and psychomotor domains.

Living in a dynamic world, the importance of physical fitness cannot be undermined. The students will be introduced and encouraged to participate in both indoor and outdoor games. Numerous age appropriate activities and games have been carefully selected for the students to warrant a healthy and sporty environment and cultivate a sense of wellbeing.

We strive towards honing and refining their social and communication skills so that they become confident and expressive leaders of tomorrow. They will be encouraged to explore the world of digital technology as much as they will be stimulated by the profound world of books in a well-equipped library. Music, dance, theatre will help the students to evolve as accomplished individuals who are strong, confident, intelligent, responsible and yet humble. Upholding the torch of its alma mater, St. Xavier's will carry forward the legacy bequeathed to it.

I welcome you to explore the school in all cordiality and look forward to a positive and productive relationship in the years to come.

We prepare our students for SUCCESS.

Salient Features

- Value based education
- Modern world class infrastructure
- Creative and innovative teaching methods
- Certified experienced and caring teachers
- Regular Educational Trips and Adventure camps.
- Value based morning assemblies
- Celebrations, carnivals and regular events for enhanced growth.
- Digital campus with smart classrooms and IT education for the new age kids.
- ERP system to meet the diverse needs of the institution and the parents.
- Intra and inter school events.
- Story telling sessions and book exhibitions.

Infrastructure

Air Conditioned Classrooms

We aim to make each classroom a safe and secure zone wherein students engage in learning collaboratively as well as at the individual level. Our classrooms have ample space, are fully air conditioned, and are technology enabled.

Fully Equipped Computer Lab

Knowledge of Information Technology is crucial in today's era. We provide that with the help of our latest and high end computer systems with all the necessary software.

Well Stocked Library

The introduction to the world of books must be in a subtle manner. A well-equipped state of the art library has been put together for the students to delight their senses and let their imagination off on a flight of fancy.

Well Equipped Laboratories

Our Maths and Science labs are creative learning spaces where children are involved in hands on learning. The laboratories are well equipped with sufficient apparatus and stock of chemicals.

Art Room

The Art Room is a space that discovers the hidden artistic talents in the students. Students are taught Fine Arts, Sculpture, Clay Modelling, Best out of Waste, Commercial Art, painting, etc.

Language Lab

A language laboratory is a dedicated space for language learning where students access audio-visual materials. This lets students improve their enunciation and public speaking skills with regular practice under a thoughtfully designed syllabus.

GPS Enabled Transportation System

Safety of students is always foremost at St. Xaviers High school. All our buses are GPS enabled and have CCTV cameras.

Medical Room

Our Medical Room is well equipped and well furnished to provide our students with first aid treatment.

Sports Facilities

Playground is a child's favorite place in the school. At St. Xaviers, we take full care of what our students are fond of. The school comprises a Basketball court, Cricket ground, Badminton court and a Volleyball court.

Outdoor

- Track and Field Sports
- Yoga
- Cricket
- Badminton
- Basketball
- Swimming*

*Proposed

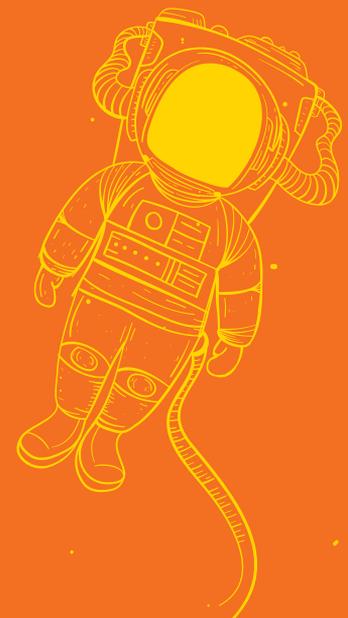

Indoor

- Chess
- Carrom
- Table Tennis
- Taekwondo

Music & Dance Facilities

This is where students can explore their talent in the fields of music and dance. In music, students are taught Instrumental and Vocal Music. Whereas in the field of dance, students are trained for Classical and Western Dance. The rooms for the same are well equipped and spacious.

Admission Procedure

- Only a registered child will be eligible for admission. Online Registration can be done at www.stxaviersgn.in
- Based on the assessment and other criteria, the school reserves the right to offer or refuse the admission without assigning any reason.
- For senior classes the child has to come for the written test.
- The school will be contacting the parents to invite them for a short interaction. We recommend both the parents to be available for the meeting.
- Admission formalities must be completed on the same day, if selected for admission. Please carry all documents that will be required for the admission process.
- The management reserves the right to modify, alter or include any other terms and conditions that may be deemed fit in the interest of the institution.
