MESSAGE FROM THE CHAIRMAN

Education is not preparation for life; Education is life itself

A good school lays the foundation for a better future of every child. The scaffolding that is given to young children defines their future, strengthens their base, nurtures their minds, helps to identify and set their goals and above all teaches them to differentiate between the right and the wrong.

It gives me great pride and satisfaction to present St. Xavier's High School, GNW—a centre of excellence committed to nurturing young minds with integrity, purpose, and vision.

Our educational philosophy is anchored in the belief that true learning extends beyond textbooks. We strive to cultivate well-rounded individuals by fostering intellectual curiosity, emotional intelligence, physical well-being, and strong moral values. At the heart of our mission lies the commitment to provide a holistic education that equips students to meet the challenges of a rapidly evolving world.

Our vision is to create an enriching academic environment that empowers students to become lifelong learners, responsible citizens, and global leaders. In pursuit of this, the management continually endeavours to enhance the institution's infrastructure, pedagogy, and overall learning experience.

We take immense pride in offering state-of-the-art academic facilities, comprehensive sports infrastructure, and a vibrant platform for cultural expression. These efforts are driven by our unwavering commitment to providing every student with opportunities to explore their potential and excel in diverse spheres.

At St. Xavier's, we believe that every child is unique and capable of greatness. It is our constant endeavour to guide and support them on this journey towards excellence.

Warm regards,

Dr. Amit Gupta

Chairman

St. Xavier's High School, GNW

MESSAGE FROM THE CHAIRPERSON

Dear Parents, Students, and Members of the St. Xavier's Family,

It is with immense pride and happiness that I connect with you through the pages of our school e-magazine. At St. Xavier's High School, we have always been committed to fostering the academic, emotional, and social development of our students, ensuring that they grow into well-rounded individuals ready to face the challenges ahead.

Our guiding principles of integrity, respect, compassion, and excellence serve as the foundation of our educational approach. We are dedicated to creating an environment where each student is encouraged to unlock their full potential, pursue their passions, and make meaningful contributions to society.

We choose our teachers and staff with utmost care and ensure that they perform according to the bar set by the school. Our faculty is highly qualified and enriched with experience in their specific areas of teaching. We encourage them to hone their skills and polish their personalities with specific training and workshops conducted at regular intervals.

Most importantly, the safety and well-being of our students are our top priority. With strict safety measures, advanced surveillance systems, and a devoted team of staff, we guarantee that every student feels secure and supported throughout their time with us.

Together, we will continue to cultivate an atmosphere of growth, respect, and achievement for the leaders of tomorrow.

Warm regards,

Mrs. Manvi Gupta
Chairperson

MESSAGE FROM THE PRINCIPAL

Welcome to St. Xavier's High School, GNW, where excellence in education meets a commitment to holistic development. At St. Xavier's, we strive to offer the highest quality education, ensuring that every child not only excels academically but also grows as an individual capable of leading with integrity and compassion.

Our dedicated faculty, cutting-edge curriculum, and focus on personalized learning empower students to reach their full potential. We take pride in nurturing a love for learning and cultivating critical thinking skills, ensuring that our students are well-equipped to face the challenges of tomorrow.

Beyond academics, we believe in the importance of physical well-being. Our state-of-the-art sports facilities provide students with ample opportunities to engage in various sports, promoting teamwork, discipline, and leadership. Whether it's on the field, court, or track, we encourage every student to discover their passion and build resilience.

Our campus boasts modern, world-class infrastructure that supports an enriching learning experience. Equipped with the latest technology and designed for comfort and functionality, our facilities enhance both academic and co-curricular pursuits.

At St. Xavier's High School, GNW, excellence is not just a goal, but a continuous journey. We invite you to explore the many opportunities we offer and join a community where success and character are shaped for the future.

MISSION & VISION

MISSION

At St. Xaviers high School our mission is to develop optimistic and confident individuals with supple, innovative and creative minds. We are committed towards ensuring spiritual, moral, intellectual, social, emotional and physical well-being of each child and also in encouraging them to grow as responsible citizens of our nation.

VISION

Our vision is to provide quality education to our students in an excellent and holistic learning environment so that they attain their highest potential and grow into better human beings.

VALUES THAT WE UPHOLD

- Integrity & Honesty
- Concern for Justice & Freedom
- Passion for Innovation & Performance
- Commitment & Dedication
- Social, Ecological & Ethical Sensitivity
- Respect for Individuals

WORLD CLASS INFRASTRUCTURE

AREA

St Xavier's High School is spread over 5 acres of land and is a spacious school which has the advantage to create more opportunities for its students to access. Surrounded by lush green lawns and sports arenas, the school is able to cater to the need and interest of each one of its students. A CBSE school with an area of 5.5 acres and excellent infrastructure would typically offer a variety of facilities designed to support a high-quality educational environment.

BUILDING

A centrally air conditioned four storeyed building has been designed to accommodate all features of an excellent teaching learning process. Each classroom is camera fitted to ensue the safety of the students. well-designed, modern structure that fosters a positive and productive learning environment. It features spacious classrooms, specialized labs, activity rooms, and common areas, all equipped with the latest technology and resources to support academic and extracurricular activities. The architecture promotes natural light, ventilation, and accessibility, creating a comfortable space for students and staff. With a focus on safety, functionality, and aesthetic appeal, the school building is a hub where students can thrive academically, socially, and creatively.

Where Dreams Take Flights

MULTIPURPOSE HALL

The new Multi-Purpose Hall has been specially created to accommodate both sports activities like badminton and cultural various events and class assemblies. The stage has witnessed many exciting events for versatile functionality. It features a spacious, adaptable layout with high-quality flooring and lighting suitable for badminton matches and recreational use. The hall can be easily reconfigured for cultural performances, such as theater, dance, and music events, with adjustable seating and stage arrangements. This dual-purpose facility maximizes space usage, promoting both physical activities and community gatherings.

AUDITORIUM

The Ruby Red Auditorium is a modern, state-of-the-art venue that can accommodate up to 200 people. With its elegant design and excellent acoustics, it is perfect for a variety of events, including conferences, performances, and intimate gatherings. The auditorium features comfortable seating, advanced lighting, and audiovisual systems, ensuring an immersive and high-quality experience for both performers and audiences. Its versatile layout makes it ideal for a range of cultural and corporate functions.

LIBRARY

The Library serves as a hub of learning, offering a quiet and resource-rich environment for intellectual growth. With a vast collection of books, journals, and digital resources, it provides access to knowledge across various subjects. The library is designed to foster curiosity, critical thinking, and research, equipped with modern facilities like study areas, computers, and collaborative spaces. It encourages individuals to explore, learn, and engage in continuous education, making it an essential part of any academic or community setting.

ATL LAB

The ATL (Atal Tinkering Lab) is an innovation space designed to foster creativity, critical thinking, and hands-on learning. It provides students with access to modern tools and technologies such as 3D printers, robotics kits, and sensors, encouraging them to explore STEM (Science, Technology, Engineering, and Mathematics) concepts through experimentation and problem-solving. The ATL Lab nurtures a spirit of entrepreneurship and innovation, allowing students to transform their ideas into real-world solutions and develop skills for the future.

MONTESSORI LAB

The Montessori Lab is a dedicated space designed to enhance the development of both gross and fine motor skills in students. It features a range of hands-on, age-appropriate activities and materials that encourage children to explore movement, coordination, and sensory experiences. The lab promotes physical activity through exercises that improve balance, strength, and dexterity, while also fostering cognitive growth through tactile learning tools. This environment supports holistic development, empowering children to build independence and confidence in their abilities.

ACTIVITY ROOM

The Activity Room is a vibrant space designed to nurture the speaking skills of young children, with a special focus on storytelling. Equipped with a small stage, it provides an interactive environment where children can practice speaking, storytelling, and presenting in front of an audience. The stage encourages confidence, creativity, and self-expression, allowing children to engage in imaginative play and develop important communication skills in a fun and supportive setting.

ART ROOMS

The Art Rooms, divided into Junior and Senior sections, are artistically designed spaces that inspire creativity in students of all ages. The Junior Art Room features colorful, playful decor with age-appropriate materials to encourage young children to explore their artistic potential. The Senior Art Room, with a more refined and sophisticated design, offers a range of advanced tools and resources for older students to experiment with various art forms. Both rooms foster a dynamic and nurturing environment where students can express themselves and develop their artistic skills.

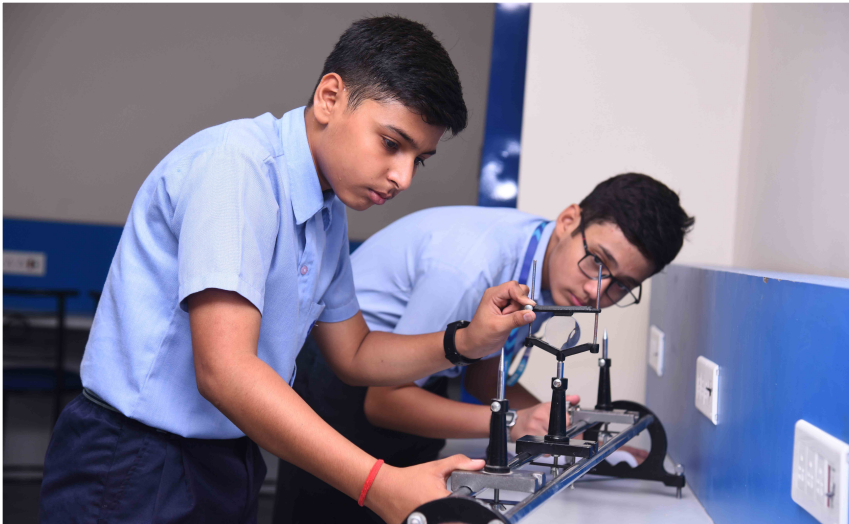

COMPUTER LABS

The well-equipped computer labs are designed to provide students with access to the latest technology and software for learning and development. With high-performance computers, fast internet connectivity, and a range of educational tools, these labs offer a productive environment for coding, digital design, research, and interactive learning. The labs are ideal for both individual work and group projects, helping students enhance their technical skills and prepare for the digital future.

BIOLOGY LAB

The Biology Lab in school is a fully equipped space designed to provide students with hands-on learning experiences in the field of life sciences. It features microscopes, specimens, slides, and interactive models, allowing students to explore biological concepts such as cell structure, genetics, and ecosystems. The lab encourages experimentation, observation, and critical thinking, helping students develop a deeper understanding of biology through practical activities and scientific inquiry.

PHYSICS LAB

The Physics Lab is a well-equipped space designed to facilitate hands-on learning and experimentation in the field of physics. It is stocked with essential tools and equipment, such as microscopes, circuit boards, measuring instruments, and models, allowing students to conduct experiments on topics like motion, energy, and electricity. The lab provides an interactive environment where students can apply theoretical concepts, enhance their problem-solving skills, and develop a deeper understanding of the physical world through practical exploration.

CHEMISTRY LAB

The Chemistry Lab is a modern, well-equipped facility designed for hands-on learning and experimentation in the field of chemistry. It contains a wide range of tools and materials, including beakers, test tubes, Bunsen burners, and chemical reagents, allowing students to safely conduct experiments and explore chemical reactions. The lab promotes a deeper understanding of chemical principles through practical application, encouraging students to develop critical thinking, observation, and safety skills while experimenting with various chemical processes and reactions.

COMPOSITE SCIENCE LAB

The Composite Science Lab for primary and middle school students is an interactive and engaging space designed to introduce young learners to the world of science. It is equipped with age-appropriate tools and materials for conducting experiments in physics, chemistry, and biology. The lab provides a hands-on approach to learning, allowing students to explore scientific concepts through simple experiments and activities. With its safe and stimulating environment, the Composite Science Lab fosters curiosity, creativity, and a love for learning science at an early age.

MATH LAB

The Math Lab for Upper Primary and Middle School students is a dynamic space designed to make learning mathematics interactive and fun. Equipped with a variety of tools like geometric shapes, measuring instruments, charts, and calculators, the lab encourages students to explore mathematical concepts through hands-on activities. It helps students visualize abstract concepts, develop problem-solving skills, and enhance their understanding of topics such as geometry, algebra, and statistics. The Math Lab fosters a deeper connection with math, making it an enjoyable and practical learning experience.

SOCIAL STUDIES LAB

The Social Science Lab is an interactive space designed to enhance students' understanding of history, geography, economics, and civics. Equipped with maps, globes, historical artifacts, and multimedia resources, the lab provides a hands-on approach to learning about the world. Students can engage in activities such as analyzing geographical data, exploring historical events, and understanding societal issues, fostering critical thinking and global awareness. The lab encourages students to connect theoretical knowledge with real-world applications, making social science topics more engaging and accessible.

CAFETERIA

The school cafeteria is a vibrant, welcoming space where students can enjoy nutritious meals and socialize with peers. It offers a variety of balanced food options, catering to different tastes and dietary needs. With a clean, spacious layout and friendly staff, the cafeteria provides a comfortable environment for students to relax and recharge during breaks. Beyond just a place to eat, the cafeteria encourages healthy eating habits, promoting well-being and community within the school.

OUR GUIDING PRINCIPLES

St Xavier's High School adheres the CBSE Curriculum from Grade VI onwards and was proud to be amongst the top three schools of Noida Extension.

► **HOLISTIC DEVELOPMENT**

We emphasize moral education over moral policing, instilling values, ethics, and responsible citizenship.

► **LIFE SKILLS FOR AN EVOLVED INDIVIDUAL**

Students are encouraged through PD sessions to develop essential skills helping them become self-reliant to deal with the future challenges.

► **MULTILINGUAL PROFICIENCY**

To foster effective communication, we offer a diverse language program, including English, Hindi, Sanskrit and French.

► **INNOVATIVE TEACHING APPROACHES**

We integrate Flipped Learning, Hybrid/Blended Learning, Peer Learning to make education engaging and effective.

► **BEYOND ROTE LEARNING**

Our approach follows the principle of teaching less to learn more, ensuring students grasp concepts deeply.

► **REAL-WORLD CONNECTIONS**

We create opportunities for students to apply their knowledge to everyday life, making learning meaningful.

► **FLEXIBLE & INTEGRATED ASSESSMENTS**

Exams are designed to be part of the learning process, reducing stress and fostering continuous growth.

► **FUTURE-READY LEARNING**

With a strong focus on AI, Robotics, and Emerging Technologies, we equip students with the skills needed for the digital age.

► **LEADERSHIP SKILLS**

Through Scouts and Guides, students develop leadership, teamwork, survival skills, and a spirit of service, fostering independence and responsibility.

► **COMPREHENSIVE CAREER GUIDANCE**

We provide mentorship, aptitude assessments, industry interactions, and counseling to help students make informed career choices and explore diverse opportunities.

*Leading with Passion
& Purpose*

SPORTS FACILITY

SWIMMING POOL

The school swimming pool offers students a chance to learn and hone their aquatic skills, stay active, and promote overall fitness. It provides a space for physical education classes, extracurricular activities like swim teams. The pool encourages teamwork, discipline, and healthy competition while fostering a sense of relaxation and fun. Having a swimming pool also enhances the school's facilities and supports students' well-being.

SHOOTING RANGE

St. Xavier's High School is the only school in Greater Noida West, which offers this unique facility to its students. The school shooting range is a controlled environment where students can learn about firearm safety, precision, and discipline. It offers training for competitive shooting sports, emphasizing responsibility and focus. Proper supervision ensures safety while teaching students the importance of handling weapons with care. This sport helps students to develop patience, concentration, and mental fortitude, fostering respect for the sport and the responsibility it entails.

TABLE TENNIS HALL

Table Tennis at St. Xavier's High School is a popular sport enjoyed by students of all skill levels. The school has well-maintained tables and a vibrant table tennis community. Regular practice sessions and inter-house tournaments foster a competitive spirit, allowing students to hone their skills. With a focus on teamwork, discipline, and coordination, Table Tennis provides students a platform to develop both mentally and physically.

INDOOR BADMINTON COURTS

Badminton at school is a favorite activity among students, offering a great blend of fun and fitness. The school provides excellent courts and equipment, encouraging both recreational play and competitive matches. Regular practice sessions help students improve their agility, reflexes, and coordination. The school also organizes inter-class and inter-school tournaments, promoting sportsmanship and teamwork.

LAWN TENNIS

Lawn Tennis at school, available from Grade III to XII, is a popular and inclusive sport. Students from various grades are introduced to the basics and gradually progress to more advanced techniques. With well-maintained courts and expert coaching, students develop skills in footwork, racket control, and strategy. Lawn Tennis encourages physical fitness, discipline, and teamwork among students.

BASKETBALL

Basketball at St. Xavier's High School is a popular and engaging sport, promoting teamwork, discipline, and physical fitness. The school boasts a well-equipped court where students of all grades participate in friendly matches, inter-school tournaments, and physical education classes. The basketball program fosters both individual skill development and cooperative play, creating a sense of camaraderie among students. It encourages healthy competition and helps students stay active and engaged in school life.

FOOTBALL FIELD

The football ground at St. Xavier's High School is a spacious and well-maintained facility that provides students with an excellent space to develop their skills. Used for regular physical education classes, inter-school matches, and extracurricular activities, the ground promotes teamwork, discipline, and fitness. With its vibrant atmosphere, it fosters a sense of unity and healthy competition, allowing students to hone their football abilities while encouraging sportsmanship and active participation.

CRICKET PITCH & NETS

The cricket pitch and nets at school offer students a dedicated space to practice and improve their cricket skills. The pitch is well-maintained, allowing for realistic game simulations, while the nets provide a safe environment for batting, bowling, and fielding practice. These facilities encourage teamwork, focus, and skill development, making cricket an exciting part of the school's sports curriculum. It fosters a love for the game and enhances physical fitness among students.

KHO KHO

Kho Kho in school is a traditional and energetic team sport that promotes physical fitness, agility, and teamwork. Played with two teams, the game involves chasing and tagging opponents while strategically managing time and movement. It encourages discipline, coordination, and quick thinking. Kho Kho helps students build strength and endurance while fostering a sense of unity and healthy competition. It remains a popular sport in schools, encouraging active participation.

SKATING RINK

Skating is a fun and dynamic sport suitable for students of all age groups. It helps students to improve balance, coordination, and flexibility while providing a full-body workout. Skating promotes cardiovascular health and builds strength. It also encourages focus, confidence, and resilience. As a recreational or competitive sport, skating offers students an enjoyable way to stay active, socialize, and develop important life skills.

PLAY AREA

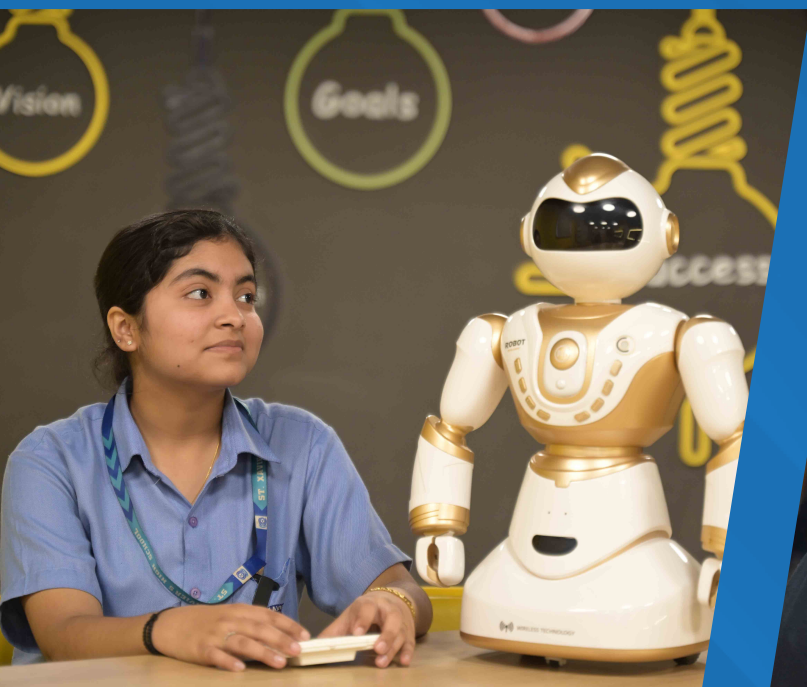

A play area for children provides a safe and enjoyable space for them to engage in physical activities and explore their creativity. Equipped with swings, slides, climbing structures, and open spaces, it promotes social interaction, teamwork, and motor skills development. These areas encourage children to stay active while having fun, fostering imagination and emotional growth. A well-designed play area is essential for supporting the overall well-being and development of young children.

SAND PIT

Badminton at school is a favorite activity among students, offering a great blend of fun and fitness. The school provides excellent courts and equipment, encouraging both recreational play and competitive matches. Regular practice sessions help students improve their agility, reflexes, and coordination. The school also organizes inter-class and inter-school tournaments, promoting sportsmanship and teamwork.

CURRICULUM

At St. Xavier's High School, we believe in fostering curiosity, creativity, and critical thinking in every child. We focus on holistic development for every little dreamer. The cutting-edge curriculum followed at St. Xavier's High School is Oxford Advantage (Grade 1), Chrysalis (II to V), CBSE (VI – XII) .

Our pedagogy is rooted in experiential learning, where students engage in hands-on activities, critical problem-solving, and interdisciplinary exploration. The academic framework gives equal importance to Scholastic and Co-Scholastic education which leads to holistic development of the students.

St. Xavier's High School proudly follows the CBSE curriculum—a framework designed to provide quality education while nurturing curiosity, creativity, and character. Developed by the National Council of Educational Research and Training, this curriculum encourages conceptual clarity, critical thinking, and real-world application of knowledge.

At St. Xavier's High School, we are proud to implement the Chrysalis Curriculum from II - V. It is a transformative, child-centric approach designed to nurture creativity, critical thinking, and emotional intelligence in every learner. Chrysalis goes beyond rote learning, placing emphasis on conceptual understanding, curiosity-driven exploration, and real-life application of knowledge.

This curriculum integrates seamlessly with traditional academic goals while fostering 21st-century skills like collaboration, communication, and independent thinking. Through hands-on activities, engaging storytelling, and thought-provoking discussions, where children become active participants in their own learning journey.

The Oxford International Curriculum is a holistic educational approach that focuses on student well-being and the development of essential global skills. The Oxford curriculum also integrates global perspectives, encouraging students to become curious, confident, and compassionate individuals. By combining academic rigor with creative and engaging teaching methodology, the Oxford curriculum provides a supportive and stimulating environment for students to thrive in.

A person, likely a teacher, stands with their arms crossed, wearing a light-colored cardigan over a collared shirt. The image is overlaid with a semi-transparent purple filter. The text 'TEACHER'S' is prominently displayed in large, bold, orange letters across the center of the image.

TEACHER'S

TRAININGS

EDUCATION

SKILLS

CBSE WORKSHOPS

GURUDAKSHATA PROGRAMME

An Induction Training Programme by CBSE. The Guru Dakshta Program aims to equip principals and teachers of newly affiliated schools with the CBSE system as well as existing CBSE-affiliated schools with the abilities and resources needed to be successful in their roles.

The Induction Training Programme introduces teachers and school heads to the structure, policies, and guidelines of all the constituent departments and units of CBSE, including Training, Examination, Affiliation, Academics, Skill Education, IT, Professional Examination, CTET, CoEs, and ROs. The Guru Dakshta Program includes eight sessions of 90 minutes each, deliberating on the functioning of these departments and units, which serve as a foundation for their competency building and growth in their roles in schools.

■ CBP WORKSHOP ON GENDER SENSITIVITY

A Capacity Building Programme on Gender Sensitivity was organized by teachers of St. Xavier's High School, GNW. The workshop was held on , 4 th March, 2025 from 8.30 am to 4.30 pm in the school. The two Resource Persons for the Workshop were Ms. Pooja Bose, Principal, Pacific School and Mrs. Renu Sharma, Director Principal, Indirapuram Public School.

Mrs. Kirti Tandon, Principal at St. Xavier's High School, inaugurated the session and welcomed both the Resource Persons from CBSE. The session began with Ms Bose explaining the difference between the two commonly misunderstood terms – Gender and Sex. She discussed the role of power in gender relationships and instructed the teachers to not use any gender sensitive language in the classroom. She was of the opinion that the books prescribed in the curriculum must include topics on gender sensitivity and the same should be an integral part of the syllabus. She also suggested that study material on Gender Sensitivity should be made available to the students and teachers. She urged the teachers to establish a congenial environment in the classroom and encourage discussions with students on topics relating to sex and gender.

■ HAPPY CLASSROOMS– A CAPACITY BUILDING WORKSHOP

St. Xavier's High School hosted a capacity Building Workshop for its teachers and those from the surrounding schools on 'Happy Classrooms'. For Students to be happy and cheerful in the classrooms, the teachers and the school has to take defined steps. Each school must aim for a High Happiness Quotient at all times.

The resource persons with their expertise and experience touched on all age groups of students and issues that concerned them.

They discussed and shared ideas to ensure that the students enjoyed the teaching and learning process. This workshop was a beacon for the teachers who were still following the traditional method of one-way teaching and they too assured the resource persons that they would apply a few of the activities in their classes to make them more interesting and participative thereby leading to an assured Happy Classroom at all times.

ACCOLADES!

OUR TEACHERS HAVE MADE US PROUD

WINNERS AT SAHODAYA MEET

Teachers of St. Xavier's High School won in TLM with Jadui Pitara organised by Sahodaya School Complex NCR(East) on 7th September 2024 at Jagran Public School. Ms. Muskan Chauhan and Ms. Pulkita Gupta represented the school and brought home laurels with their innovative ideas.

CELEBRATING EXCELLENCE

Proud moment for St. Xavier's High School, GNW as our Hindi educators, Ms. Varsha, Mr. Anupam Mishra, and Ms. Deepali Chaturvedi, are honored by New Saraswati Publications at the National Sports Club.

Kudos to their dedication and passion for teaching!

SETTING HIGH BENCHMARK

Teachers at St. Xavier's High school are known for their:

- **ACADEMIC QUALIFICATIONS:** Relevant degrees, certifications, and ongoing professional development in their subject area
- **TEACHING EXPERIENCE:** A proven track record of effective teaching, classroom management, and student engagement.
- **PEDAGOGICAL SKILLS:** Ability to design and deliver engaging lessons, assessments, and evaluations that cater to diverse learning needs.
- **COMMUNICATION SKILLS:** Strong verbal and written communication, with the ability to articulate complex ideas, provide constructive feedback, and build positive relationships with students, colleagues, and parents.
- **VALUES AND ATTITUDE:** Alignment with the values & mission of the school, including a commitment to:
 - Ignatian of pedagogy and values-based education.
 - Fostering a supportive, inclusive, and growth-oriented learning environment.
 - Encouraging critical thinking, creativity, and intellectual curiosity.
 - Promoting social responsibility, empathy, and community engagement.

Continuous Professional Development (CPD)

At St. Xavier's High School , we prioritizes ongoing teacher training and development to ensure our educators stay updated on best practices, pedagogical innovations, and industry trends. Our CPD initiatives include:

- **REGULAR WORKSHOPS & TRAINING SESSIONS:** Focused on topics such as curriculum design, instructional strategies, and technology integration.
- **PEER MENTORING & COACHING:** Pairing experienced teachers with new staff members to provide guidance, support, and feedback.
- **COLLABORATIVE PLANNING & REFLECTION:** Encouraging teachers to share ideas, resources, and expertise to enhance student learning outcomes.
- **PROFESSIONAL LEARNING COMMUNITIES:** Fostering a culture of collaboration, innovation, and continuous improvement among teachers.
- **OPPORTUNITIES FOR FURTHER EDUCATION AND CERTIFICATION:** Supporting teachers in pursuing advanced degrees, certifications, or specialized training to enhance their skills and expertise.

Following a multidisciplinary approach to bring in diversity in the ongoing curriculums.

By investing in our teachers' growth and development, we ensure that our students receive the best possible education, and our educators remain passionate, motivated, and committed to excellence.

**NO ACHIEVEMENT
UNLEASHED
WITHOUT RESILIENCE**

XAVIER'S HALL OF FAME

The achievements and peaked successes of St. Xavier's High School resonates with years of hard work , passion and most importantly forecast vision of school.

INSPIRING LEADERS

Dr. Amit Gupta, Chairman of St. Xavier's High School, GNW has been recognized as the Visionary Leader in the Education Sector 2024 by THE TIMES OF INDIA under ET INSPIRING LEADERS NORTH 2024-25.

This honor reflects his exceptional contributions and the enduring legacy of St. Xavier's High School GNW, in shaping the future of education. Heartfelt congratulations to Dr. Amit Gupta on this well-deserved achievement!

EDULEADERS SUMMIT AWARDS

Our Principal, **Mrs Kirti Tandon** was awarded the Principal Of the Year-2024 at the Eduleaders Summit Awards held on 21st December, 2024 for her contribution in the field of Education. Her leadership skills and passion to give the best to the students has earned her this prestigious award. St. Xavier is fortunate to have her as the flag bearer for the school.

CBSE SWIMMING

Suman Mridul Panda of Grade IXth bagged the 2nd position (Silver Medal) in 100mtr Breast Stroke in Inter School Swimming Championship held at Delhi World Public School, KP-III on 18th July 2024.

SKATING

Six of our students participated in 5th Interschool Speed Skating Championship 2024 and achieved outstanding results.

Ishanvi (Grade 1) secured 1st position and Gold Medal in category Professional inline skates, **Ashaz Khan (Grade 6)** secured 2nd position and Silver Medal in Category Professional Inline Skates, **Sehaz Preet (Grade 6)** secured 2nd position and Silver Medal in category inline skates.

ARCHERY

Agriya Verma of grade IX was finalist in archery, organized by CBSE cluster 2023 held at Haridwar.

MUSIC DANCE THEATRE

The performing arts are arts such as music, dance, and drama are an essential part of the curriculum at St. Xavier's High School. **Nimisha Chaturvedi (Grade VIII-B)** delivered a breathtaking performance and left the audience in awe at 9th Uttar Pradesh Singing, dancing & Sports Championship 2024 in the 13-15 year age group. While Competing at the IMA Auditorium, Bareilly she performed outstandingly & holding the audience spell bound.

Seven Year old Shanaya Saxena (Grade 2) bagged the 2nd position (Silver medal) in National Singing & Dance Sports Championship 2024-25 at Vadodara, Gujarat on 13th January 2025. She will be representing the Country at Kathmandu, Nepal in June 2025.

IGKO

The school celebrated the achievements of its students who excelled in the SOF International General Knowledge Olympiad (IGKO), with 25 students being awarded medals for their outstanding performance.

ROAD SAFETY MISSION

St Xavier's High School is incredibly proud to announce that 'Shrimit Kumar' of Grade IV has been awarded a bronze medal in the National Road Safety Mission for Kids and Youth. Congratulations, Shrimit Kumar on this remarkable accomplishment! Keep shining

PRIMARY CURRICULUM

LANGUAGE ARTS (NURSERY TO UKG)

Each reader is designed to offer engaging learning experiences, taking children on an exciting journey.

EVS

Integrated approach to EVS helps children develop awareness and appreciation of the world around them

PHONICS

Phonics complement reading program by combining letter sounds with word reading. Children learn to recognize letters, sound combinations.

MATHS

Math curriculum emphasize on understanding core concepts and their application in problem solving through logical thinking.

Play-based learning Encouraging exploration, creativity, and problem-solving through play.

Holistic development Focusing on cognitive, social, emotional, and physical growth.

Child-centered approach Prioritizing individual needs, interests, and learning styles. Age-appropriate, research-backed content aligned with NEP guidelines

Sensory play Exploring textures, colors, and materials.

Art projects Encouraging creativity and self-expression.

Storytelling & puppetry Developing language & communication skills.

Music & movement Promoting physical development & creativity.

Outdoor activities Fostering exploration & appreciation for nature.

Social skills Developing cooperation, empathy, and friendship.

Emotional intelligence Recognizing and managing emotions.

Cognitive development Enhancing problem-solving, critical thinking, & creativity.

Physical development Improving gross and fine motor skills.

CURRICULUM (GRADE-1)

THINKROOM KINDERGARTEN Empowering Young Minds

The Oxford curriculum for Grade 1 offers a well-rounded education, focusing on core subjects like English, Math, and Science, while incorporating essential life skills such as creativity, critical thinking, and problem-solving. The curriculum is designed to foster a love for learning, promoting student-led activities, investigations, and play-based learning. With a strong emphasis on building foundational skills, Grade 1 students develop a solid base for future academic success.

CURRICULUM (GRADE II-V)

Our Pedagogy Holistic, Inclusive & Experiential We follow the National Education Policy (NEP) 2020 and National Curriculum Framework (NCF) 2023, ensuring a balanced blend of academic excellence, skill development, and emotional well-being.

Learning Approach for Grades II-V

Core Principles of the Chrysalis Curriculum

- ▶ **Student-Centered Learning**
Focuses on personalized education that adapts to individual student needs, interests, and learning styles.
- ▶ **Competency-Based Learning**
Focus on conceptual understanding rather than rote memorization.
- ▶ **Inquiry based, Experiential & Hands-On Learning**
Encourages learning through real-world experiences, experiments, and interactive activities.
- ▶ **Interdisciplinary Approach**
Integrates multiple subjects to provide a well-rounded understanding rather than isolating topics.

- ▶ **Critical Thinking & Problem-Solving**
Develops analytical skills through inquiry-based learning and open-ended questioning.
- ▶ **Creativity & Innovation**
Promotes artistic expression, exploration, and thinking outside the box.
- ▶ **Holistic Development**
Addresses intellectual, emotional, social, and ethical growth.
- ▶ **Flexible & Adaptive Teaching Methods**
Allows teachers to modify content based on student progress and curiosity.
- ▶ **Inclusive & Differentiated Instruction**
Catering to diverse learning needs through personalized teaching strategies. St. Xavier's High School prioritizes student well-being and fosters a stress-free learning environment. Students have freedom to explore subjects based on their interests, encouraging creativity and innovation.
- ▶ **Nature & Environmental Awareness**
Often incorporates outdoor learning and environmental education.
- ▶ **Collaborative & Social Learning**
Encourages teamwork, discussions, and peer learning.
- ▶ **Emphasis on Self-Discovery & Personal Growth**
Helps students develop confidence, independence, and a sense of purpose.

CURRICULUM-GRADE-VI-XII

Our students of grade 6th upwards engage with NCERT Curriculum studying subjects like Mathematics, Science, Social Science, and Languages through thoughtfully designed textbooks and interactive activities that go beyond rote learning. The emphasis is on understanding, inquiry, and values—aligning perfectly with our school's vision of holistic development.

By adopting the NCERT curriculum, we ensure that every child receives a strong academic foundation, preparing them not just for exams, but for life.

CO-CURRICULARS

Olympiads-SOF

The SOF enriches analytical and problem solving skills. Build confidence among the students. All activities of the Foundation invariably aim at making learning an interesting and interactive process in which the learner is actually able to put his / her skills, memory, talent and knowledge to test.

Silverzone

The programs are designed to provide students with a challenging and stimulating learning experience. These exams are based on the latest educational standards and are designed to test a student's knowledge, reasoning, & problem-solving abilities.

BEYOND THE BOOKS

CLASS PRESENTATIONS

St. Xavier's High School has showcased its talent through class presentations which Step everyone into a world of wonder, courage, and discovery. School often feature engaging class presentations, such as those showcasing students' confidence and teamwork. Our young stars always mesmerized everyone with their captivating class presentations.

Students put on a "stunning performance" of captivating the audience with their storytelling, visuals, and teamwork. The various performances were described as "unforgettable" and "spellbound" due to the students' creativity, confidence, and dedication.

CHRISTMAS CARNIVAL

Every December, St. Xavier's High School corridors come alive with playing of Carols and the festive spirit during its much-anticipated Christmas Carnival. On the day of the carnival, the campus transforms into a vibrant hub of joy, filled with exciting games, thrilling rides, and lively music that gets everyone dancing. Stalls brim with delicious food and sweet treats, while the air buzzes with laughter and cheer. Students, teachers, and families gather to celebrate, basking in the winter sun and spreading holiday warmth. From colorful decorations to spirited performances, the carnival captures the magic of Christmas, making it a cherished tradition and a perfect way to end the year with happiness and togetherness.

CELEBRATING FITNESS-ANNUAL SPORTS DAY

St. Xavier's High School always organizes Sports day for holistic student development, promoting physical health, teamwork, and valuable life skills while fostering a sense of community and camaraderie.

The Annual Sports Day at St. Xavier's High School, GNW, was nothing short of electrifying! □ From record-breaking races to awe-inspiring team events, our young champs showcased their unwavering determination and unbeatable spirit. A celebration of talent, unity, and the joy of sportsmanship

A day of thrills, triumphs, and unforgettable moments at our Annual Sports Day! Cheer for the champions & witness epic performances. Celebrate sportsmanship and spirit! It's more than just sports – It's passion, perseverance, and pride on display!

TEDx

A JOURNEY OF TRANSFORMATION

TEDx events help students to develop their public speaking skills. By hearing how successful people deliver their ideas, they can learn how to structure their speeches and presentations.

The School organised TEDx events that are packed with unforgettable insights, where visionaries took the stage to challenge the status quo and ignite meaningful change. TEDx stage at St. Xavier's High School was honored to host remarkable speakers like **Col (Dr.) Andy Anil** who deep dive into emotional resilience, **Mr. Vineet Vohra** powerful call to action on environmental responsibility, **Mr. Sundeep Sangwan's** game-changing strategies for mental focus and **Ms. Anupama Bakhshi** insightful lessons in motherhood. This TEDx event was nothing short of transformative for all.

ADVENTURE CAMP

The school organizes Adventure camps from time to time that offer a unique blend of fun and learning. They provide opportunity for children to develop confidence, resilience and a love for the outdoors while engaging them in challenging and enriching activities in a safe environment. These camps include thrilling outdoor activities, team games, and skill-building challenges. They encapsulate everything from friendly competitions to moments of pure joy and unforgettable memories

ART COMPETITION

Inter School Art Competition is held at St. Xavier's High School every year. It is a vibrant celebration of creativity and talent. Students from all over participate, showcasing their artistic skill through painting, sketching and mixed media.

A unique highlight is the Teacher's Segment, where Art teachers from all participating school also compete against each other. It is a true tribute to the artistic talent among the community.

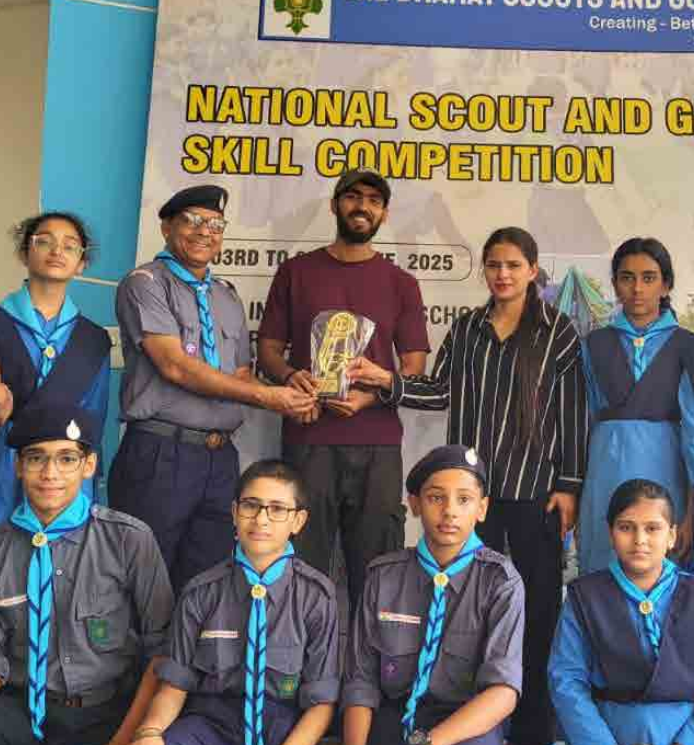

XAVIER'S SOLIDARITY MARATHON

The Xavier's Solidarity Marathon was a spirited 5 KM run open to students, parents, and the entire community. Held to promote unity, health, and social responsibility, the event saw an overwhelming turnout across all age groups. The co-sponsor for the Marathon was the Sarvodaya Hospital in Gaur City.

The marathon was flagged off with great enthusiasm and cheer by the school principal Mrs. Kirti Tandon, who encouraged everyone to run with heart and purpose. Participants ran through a well-marked route cheered on by volunteers and spectators. School buses were placed at regular intervals for those who wished to take a break.

Winners in all four categories—students, parents, teachers, and open community—were awarded medals and certificates in a joyous closing ceremony. The event beautifully reflected Xavier's commitment to community engagement and togetherness.

SCOUTS AND GUIDES

Scouts and guides is a youth organization that empowers children to develop essential life skills, build character, and foster community service. Through scouting, children learn teamwork, leadership, and problem-solving skills. Our school recently participated in the Bharat Scouts and Guides third level National Camp and Skill Competition, where our students competed at various levels and won prizes. This experience not only honed their skills but also instilled confidence and a sense of achievement. Scouting and guiding benefits children in many ways, helping them grow into responsible and compassionate individuals who make a positive impact in society.

INTERACT CLUB

Kartavya the Interact Club, is an active student-led organization in our school, affiliated with Rotary International. It provides students with opportunities to develop leadership skills, teamwork, and a sense of social responsibility. Through community service, awareness drives, environmental initiatives, and volunteer work, members learn to make a positive impact in society. The club encourages students to become responsible citizens and confident leaders of tomorrow. By participating in Interact club, students not only grow personally but also contribute meaningfully to the world around them. This Interact Club reflects our school's commitment to nurturing compassionate, thoughtful individuals who contribute positively to society.

EDUCATIONAL TRIPS

Educational trips are an essential part of holistic learning, offering students practical experiences beyond the classroom. As part of the Extra Curricular activities, these trips enhance understanding by connecting theoretical knowledge to real-world settings.

Visits to museums, science centers, historical sites, factories, or nature reserves help spark curiosity and encourage inquiry-based learning. They also promote social skills, teamwork, and independence as students interact with peers and the environment in new ways. Whether it's exploring the biodiversity of a national park or understanding history at a heritage site, educational trips make learning enjoyable and memorable. They not only enrich academic knowledge but also nurture a lifelong love for discovery.

Xaverians have visited the National Science Centre, The Mother Dairy Plant, The Coca Cola Factory, Roto pumps Factory, RED FM, Waste to Wonders Park, Adventure Park and many other places.

Teachers too have enjoyed an immersive experience with nature on their trip to Sorkha, a natural jungle developed in the midst of the concrete jungle that surrounds us these days. It is being developed by The Give Me Trees Trust, our Educational partner.

EDU EXCURSIONS

- St.Xavier High School organized an Industry Visit to **Coca-Cola Happiness Factory, Moon Beverages Ltd.** Greater Noida on 5th August,2024. During the visit, students were provided with a comprehensive understanding of Coca-Cola's production and operation processes. It was followed by a discussion where students raised several queries. Students were taken inside the plant to understand the process and to see the entire manufacturing set up in operational mode. The session was full of knowledge and learning, giving students an in-depth insight into beverages being manufactured and marketed.
- On October 8, 2024, we participated in the **CBSE Skill Expo & Guidance Festival**, hosting interactive workshops to enhance students' communication, decision-making, and innovation skills. The event offered career guidance and valuable networking with industry experts, reflecting our commitment to equipping students for success in a dynamic professional landscape.

PERSONALITY DEVELOPMENT PROGRAMME

The Personality Development Program was conducted for students of class 6th to 11th of our school. These workshop sessions were designed to help young minds build confidence, enhance communication & presentation skills, boosting confidence and foster a positive attitude. The Activities during the sessions include- **JAM (Just A Minute), Power Positive Boosters, Tell me a Story (Creative Thinking), Kinesis (Body language), Firsts are Special (Peer Connection), Active Listening, Developing Articulation, Managing Stress and many more.**

LIT FEST

The Annual Literary Fest is conducted every year in April. This insightful event explores the genius of the doyens of the English and Hindi Literary World. With avid participation from schools every year, it has taken on the dimensions of a cult. The depth of creativity among the students of the senior grades surfaces through numerous events. Students are applauded and rewarded for their efforts by a group of esteemed judges selected especially from the field of literature.

JMID

St. Xavier's High School hosted The Jagannath Memorial Inter-School Debate (JMID) competition. It provides a platform for students from various schools to showcase their debating skills and engage in thought-provoking discussions on contemporary issues.

At the 5th Jagannath Memorial Inter-School Debate (JMID) 2024, St. Xavier's High School GNW students showcased their intellect in a thought-provoking debate on the role of geo-engineering in combating climate change. Their insights on technology and ethics sparked essential conversations about our sustainable future.

CAREER GUIDANCE CELL

St. Xavier's High School has created a Career Guidance Cell under the leadership of the School Principal, members of the Advisory Board, parent community and the School Counsellors. It conducts various workshops on Career Guidance to its students. In the current session, the CGC aims to organize two engaging Career Fairs to provide students and parents with valuable insights into diverse career paths and future academic opportunities. Professionals from various fields, along with alumni and educational institutions, interact with students, offering guidance on courses, skill development, and career planning. Such events help students to explore their interests, understand industry demands, and make informed choices about their future. They help the parent community to gain clarity on New Age Careers and how to support their children's aspirations.

X-MUN 2.0

X-MUN 2.0, the first-ever Inter School Model United Nations conference at St. Xavier's High School, GNW, was a landmark event that brought together young minds to engage in diplomacy, debate, and global problem-solving. With enthusiastic participation from students across various grades, the event simulated real-world UN committees, encouraging delegates to discuss pressing international issues and propose innovative solutions. X-MUN 2.0 fostered critical thinking, public speaking, and leadership skills in a dynamic, intellectually charged environment. The event marked a significant step toward nurturing global citizens and future leaders, making it a proud and memorable milestone in the school's journey heralding the advent of many more to follow.

SCHOOL WELLNESS PROGRAMME

The Wellness Programme at St. Xavier's High School, running from the early years through to the senior classes, is a comprehensive, age-appropriate initiative that nurtures students' physical, mental, emotional, and social well-being.
